Sirius frowned in confusion and suspicion when he heard the sounds of gagging a heaving coming from Hermione's room in 12 Grimmauld place.

Remus joined Sirius stood outside when Hermione jumped out of the room and locked the door behind her laughing hysterically.

"What have you done?"

"I showed the boys the video Sirius"she said and he went wide eyed.

"You didn't?"he said and she nodded.

A grin appeared on Sirius's lips as he threw his hands into the air.

"My little apprentice!"

He hugged her laughing in hysterics like Hermione did earlier when fists pounded on the door.

"Let us out or were gonna throw up on your carpet!"

Hermione unlocked the door as the Weasley boys including Bill Charlie and Harry ran to there own rooms.

"Your sick!"

"What goes through your mind!"

"And to think I thought you were innocent!"

Charlie and Bill glared at Hermione.

"Our mum won't be happy with you for making us ill before dinner!"

Hermione and Sirius laughed as Remus frowned.

"What video did you show them?"

"Do you have a strong stomach?"

"Yeah why?"

Hermione and Sirius put Remus in Hermione's desk chair in front of the moniter and on it read.

"2 girls, one cup"
